## ACKNOWLEDGEMENTS

First and foremost, I would like to express my gratitude to Dr. Ni Win Zaw, Professor, Head of the Department of Library and Information Studies, University of Yangon, who allowed me to do this paper for her kind permission to submit it.

And then, I would also like to thank very much to my supervisor, U Zaw Aung Htut, Lecturer, Department of Library and Information Studies, University of Yangon, who gave me a special guidelines since I have got the title of the thesis.

After that I would also wish to thank Dr. Hlaing Hlaing Gyi, Librarian, University of Yangon Library, who kindly assisted and explained to me about the EBSCO database very patiently. And I would also like to show gratitude to EIFL e-library Myanmar project coordinator Daw Myat Sann Nyein.

I also appreciate all of my teachers from Department of Library and Information Studies, University of Yangon, all my friends and colleagues for their value advices. Finally, I also acknowledge my parents for their encouragement and financial support in doing this study.
